

LEADERSHIP

- ✦ Assisting staff in other departments to achieve a goal
- ✦ Placing broader objectives ahead of own needs and objectives
- ✦ Gaining commitment to shared objectives from all parties
- ✦ Acknowledging the contributions & potential of others
- ✦ Using appropriate communication methods to work effectively with others
- ✦ Working to resolve conflicts or differences of opinion
- ✦ Building trust & empowerment by modeling behaviours expected of all staff.

A person who inspires confidence, reliability and consistency in the way they deal with relationships, obligations and commitments within their team and within the broader Philmac team.
